Photography / Design / Film production / motion & visual graphics  
GIVE YOUR IMAGINATION A VOICE.

## 2022 CAPABILITIES STATEMENT

### COMPANY:

3reative Entertainment LLC is a Creative digital studio, unlocking innovative solutions that provides custom designs and technology solutions that uniquely communicate our clients brand-image and message through the latest in digital and printed media. Our studio originates both design and development projects for advertising, web, presentations, advertising, CGI, animations, print, brand/identity, UAV, video and production projects.

Large projects or small, we find great satisfaction in helping clients improve the quality and effectiveness of their media and communication strategies to generate more business, strengthen customer relationships, and enhance brand presence. We take pride in consistently utilizing the latest technology and marketing trends, strategies, and industry standards. We enjoy every opportunity to communicate a client's message and brand through successful integration of innovative design and technology.

### COMPANY PRINCIPAL:

Rinjiro Preston, Owner/Principal: An award winning commercial photographer, creative director and technology professional with more than 2 decades' experience in commercial photography, graphic, print, televisions, film, web, multimedia and interactive design, as well as a certified unmanned drone operator.
